Subject: Tract 50666

Hi All-
As we are still waiting for information on the required bonds, I was wondering if we will be required to enter into a Subdivision Improvement Agreement. I'm hoping we can get to these issues asap this week as we really need to move forward on these items so that we have everything wrapped up in time for the final map to be approved on Sept. 4. Please let me know if there is anything you need from me in this regard.

Thanks,

Jill A. Martin
